## **Program Description**

*Diamond Dreams Sports Academy's Baseball 365 Program was created to give players the tools and knowledge to take game to the next level. The 2020 Youth Fall Baseball Academy is specifically designed to do this. Fall is the perfect time for baseball development in Northeast Ohio. With great weather, DDSA instructors look to take advantage by training one day outside in order to maximize infield, outfield, and baserunning drills. We will then do one day inside at Diamond Dreams for hitting and pitching instruction, taking full advantage of our hitting cages and pitching tunnels. The amount of reps in six weeks of training that the 2020 Youth Fall Baseball Academy will provide, will give your player the tools to be an "IMPACT PLAYER" in the upcoming season.*
